

## Automotive Technology

Academic agreements are used to identify comparable courses or pathways between educational institutions. This allows students to receive credit at a receiving institution without having to duplicate courses recently completed and to continue their education between schools. In order to receive credit for course work included in these agreements, students must provide a transcript to the receiving institution with a grade "B" or better in the designate course(s). Any additional requirements are stated below.

<b>Weber State University – Associate of Applied Science in Automotive Service Technology</b>			
<b>WSU Course</b>	<b>WSU Title</b>	<b>Davis Tech Course</b>	<b>Davis Tech Title</b>
AUSV 1000	Introduction to Automotive Service	AUTO 1005	Introduction and Safety
AUSV 1320	Automotive Electronics 1	AUTO 2050	ASE Electrical/Electronic Systems I
AUSV 1323	Automotive Electronics 2	AUTO 2051	ASE Electrical/Electronic Systems II
AUSV 1120	Automotive Engines 1	AUTO 2002	ASE Engine Repair I
AUSV 1124	Automotive Engines 2	AUTO 2003	ASE Engine Repair II
AUSV 1021	Automotive Braking Systems 1	AUTO 2042	ASE Brake Systems I
AUSV 1023	Automotive Braking Systems 2	AUTO 2043	ASE Brake Systems II
AUSV 1022	Steering and Suspension Systems 1	AUTO 2032	ASE Steering and Suspension I
AUSV 1025	Steering and Suspension Systems 2	AUTO 2033	ASE Steering and Suspension II
AUSV 2320	Automotive Climate Control Systems	AUTO 2070	ASE Heating, Ventilation and Air Conditioning I
		AUTO 2072	ASE Heating, Ventilation and Air Conditioning II
AUSV 2120	Automotive Electrical and Body Control Systems	AUTO 2053	ASE Electrical/Electronic Systems III
AUSV 2020	Automotive Engine Control	AUTO 2082	ASE Engine Performance I
		AUTO 2083	ASE Engine Performance II
AUSV 2520	Automatic Transmissions	AUTO 2012	ASE Automatic Transmission and Transaxles I
		AUTO 2013	ASE Automatic Transmission and Transaxles II
AUSV 1220	Automotive Manual Drivetrain Systems	AUTO 2022	ASE Manual Drive Train and Axles I
		AUTO 2023	ASE Manual Drive Train and Axles I
<b>Weber State University – Associate of Applied Science in General Technology</b>			
<b>WSU Requirements</b>		<b>Davis Tech Program Requirements</b>	
Students must complete the following requirements:		Students must complete the Davis Tech Certificate of Program Completion within five years of beginning the WSU AAS in General Technology Program.	
<ul style="list-style-type: none"> <li>Students with an approved 900 hour minimum Davis Tech Certificate of Program Completion will receive 30 WSU elective credit hours upon</li> </ul>			

<p>completion of all WSU graduation requirements for the AAS in General Technology.</p> <ul style="list-style-type: none"> <li>• Meet regular WSU admission requirements.</li> <li>• Overall GPA of 2.0 or "C" or better for WSU course work.</li> <li>• A minimum of 63.5 credit hours, includes 30 transfer elective credit hours.</li> <li>• Approval of WSU's College of Applied Science and Technology.</li> </ul> <p>NOTE: Individual articulated courses between WSU and Davis Tech will not count for course requirements if included in the 900 hour certificate.</p>	
<b>LDS Business College – Associate of Applied Science in Applied Technology</b>	
<b><i>LDS Business College Requirements</i></b>	<b><i>Davis Tech Program Requirements</i></b>
<p>In addition to Davis Tech course work, students must complete the following LDS Business College requirements to earn a minimum of 61 credit hours:</p> <ul style="list-style-type: none"> <li>• Religion Course (4 credits)</li> <li>• Common Core (12 credits)</li> <li>• Program Core (15+ credits)</li> <li>• Davis Tech Core (up to 30 credits)</li> </ul>	<p>Maximum of 30 credit hours (900 hours) accepted from Davis Tech Certificate of Program Completion. If Davis Tech course work does not equal at least 30 credit hours then additional Program Core Credit Hours are required from the list of Program Core Options as approved by the LDS Business College.</p>
<b>Utah State University – Associate of Applied Science</b>	
<b><i>Utah State University Requirements</i></b>	<b><i>Davis Tech Program Requirements</i></b>
<p>In addition to Davis Tech course work, students must complete the following Utah State University requirements:</p> <ul style="list-style-type: none"> <li>• The student must be admitted to USU within 12 months of completing the non-credit course(s) at Davis Tech to apply for higher education credit.</li> <li>• Upon fulfillment of the AAS degree requirements the student will receive thirty (30) semester hours of credit for their certificate from Davis Tech.</li> <li>• The AAS degree at USU is a minimum of 63 credits although additional credits may be needed to meet program requirements or course prerequisites.</li> </ul>	<p>Maximum of 30 credit hours (900 hours) accepted from Davis Tech Certificate of Program Completion.</p>
