

DAVIS TECHNICAL COLLEGE ASSESSMENTS

The Davis Technical College uses the **Next Generation Accuplacer Math (Arithmetic) and Reading** assessments to place students in their desired program. The Accuplacer score is a benchmark to determine a student's ability at a level required to be successful in the program. *If required, students may be able to complete skill development courses while enrolled in their program.*

High School Students are not required to complete Assessments (unless specified by the program/school).

- Assessments are administered at the Davis Tech [Assessment Center](#).
- Requirements can be met by providing documentation of prior academic assessments or achievements as detailed on page 2.
- Assessment pre-scheduling is not required – walk-ins accepted during regular [Assessment Hours](#).
- Sample questions are available in the Assessment Center or by accessing these links online: [Math Sample Questions](#) [Reading Sample Questions](#).
