Any requirement to submit to binding arbitration for dispute resolution shall be void and unenforceable.

- 3.8 **Waiver and Severability.** No failure to exercise or enforce any right or provision of this Agreement, nor any waiver of any default or breach of this Agreement by either party will be deemed to imply or constitute a waiver of any other default or breach of this Agreement by either party. In the event that one or more of the provisions of this Agreement is invalid or otherwise unenforceable, the provision will be modified by the court and

interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the enforceability of remaining provisions will be unimpaired.
