2. TERM AND TERMINATION

2.1 **Term.** The initial term of this Agreement (the “**Initial Term**”) will begin on the Effective Date and will continue until one year from the Effective Date, and will renew each year thereafter for additional one year terms unless either Party provides at least 30 days' prior written notice before each applicable renewal date to the other Party of its intent to terminate this Agreement.

2.2 **Termination.** Either party may terminate this Agreement for cause upon 30 days written notice to the other party for a material breach if such breach is capable of cure and remains uncured on expiry of such 30 days' notice. Either Party, in its sole discretion, may also terminate this Agreement at any time, without cause, by providing at least 120 days' prior written notice to the other Party.

3. MISCELLANEOUS

3.1 **Entire Agreement.** This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written and all other communications relating to the subject matter hereof. No "shrink-wrap," or "click-through" terms and conditions, or reference to terms and conditions set out at a URL not set out in full and attached to this Agreement will be effective, regardless of when opened or clicked, or when or where referenced.

3.2 **Assignment.** Neither party may assign, or otherwise transfer, its rights or delegate its duties or obligations under this Agreement without the prior written consent of the other party (not to be unreasonably withheld or delayed).

3.3 **Injunctive Relief.** Actual or threatened breach of Section 6 (Intellectual Property), or Section 7 (Confidentiality) may cause immediate, irreparable harm that would be difficult to calculate and could not be remedied by payment of damages alone. Accordingly, either party will be entitled to seek preliminary and permanent injunctive relief and other equitable relief for any such breach.

3.4 **Utah Valley University Name.** Nothing in the Agreement establishes in Institution any right or interest in Utah Valley University's names or marks, including such names as “Utah Valley University,” “UVU,” or any

derivation thereof. Institution agrees not to use, attempt to use, or assert ownership or any interest in any intellectual property of University, including any name or mark without UVU's written consent.

3.5 **No Third-Party Beneficiaries.** This Agreement does not confer any rights on any person or party (other than the parties to this Agreement and, where applicable, their successors and permitted assigns).

3.6 **Notice.** For purposes of providing notice under this Agreement, the parties hereby designate the following individuals. Notice shall be sufficient under this Agreement if notice is mailed, in writing, via first-class, prepaid postage to the following:

If to Institution:

Venue for any lawsuits, claims, or other proceedings between the Parties relating to or arising under the Agreement shall be exclusively in the State of Utah. Any requirement to submit to binding arbitration for dispute resolution shall be void and unenforceable.

3.8 **Waiver and Severability.** No failure to exercise or enforce any right or provision of this Agreement, nor any waiver of any default or breach of this Agreement by either party will be deemed to imply or constitute a waiver of any other default or breach of this Agreement by either party. In the event that one or more of the provisions of this Agreement is invalid or otherwise unenforceable, the provision will be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the enforceability of remaining provisions will be unimpaired.

3.9 **Force Majeure.** Neither party to this Agreement will be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. University may terminate this Agreement after determining such delay or default will reasonably prevent successful performance of this Agreement.

3.10 **Relationship of the Parties.** The parties expressly agree that they are independent contractors and do not intend for this Agreement to be interpreted as an employment agency, joint venture, or partnership relationship.
